# REGIONAL PARTNERS **FORUM** FOR LATIN AMERICA AND THE CARIBBEAN

PANAMA, 3 - 4 OCTOBER 2019

## Why a Partners ´ Forum?

This event is a major opportunity to **foster partnerships** in the launching of sustainable development projects and fundamental actions for peace in Latin America and the Caribbean.

At the heart of this initiative, we focus on specific themes of importance to the region: Culture & Creativity for Sustainable Development; Climate Action and Promoting Socio-Environmental Resilience; Partnering for More Inclusive, Equitable and Quality Education; Empowering Youth and Building Opportunities to Drive Change for Sustainable Development; Addressing Regional Challenges around Migration; and Opportunities for Building a Sustainable Blue Economy.

**Because we are stronger together...**

**Partnerships4Transformation**

## The Partners' Forum supports the implementation of the 2030 Agenda for Sustainable Development and its 17 Sustainable Development Goals.

**The Partners' Forum** aims to bring together all partners who support and defend the ideals of UNESCO: Private and public enterprises, Member States, development agencies, development banks, philanthropic foundations, regional economic communities, international organizations, academia and civil society.

**The diversity of partners underlines the extent of our regional commitment** to peace and sustainable development in Latin America and the Caribbean. The Forum intends to demonstrate the importance of strengthening existing partnerships and creating new strategic alliances to reach the SDGs.

**UNESCO has identified you as  
an ideal partner to jointly  
build sustainable action projects.**

**Partnerships4Transformation**

**This is an invitation to existing and potential partners to engage with UNESCO** on its ambitious programmes to promote peace and sustainable development through education, the sciences, culture, communication and information.

UNESCO's programmes offer a variety of strong partnership opportunities bringing mutual benefits in areas where the Organization is leader thanks to its expertise and comparative advantage.

**Through the testimony of partners,** the Partners' Forum will discuss the role and the objectives of the Organization in the fulfilment of 2030 Agenda, as well as concrete cooperation opportunities.

The Forum will also provide ample space for **networking opportunities,** and will include information sessions on how to partner with UNESCO.

## The Partners' Forum is an opportunity to:

To engage with UNESCO on flagship projects with already recognized impact.

To jointly build with UNESCO, and to benefit from its influence, expertise and its international prestige and visibility.

To highlight your commitment and your actions through widespread media coverage.
